Til John og Marie

Born Thy people to deliver,
Born a child, and yet a king.
Born to reign in us forever,
Now Thy gracious Kingdom bring.

Come, Thou long-expected Jesus,
Born to set Thy people free,
From our fears and sins release us,
Let us find our rest in Thee.

"In this was manifested the love of God
toward us, because that God sent
His only begotten Son into the world,
that we might live through Him."
